

Report

by the Holy Ghost and after two altar services at least 3 were saved and 4 sanctified!

From Peace Valley we went to visit the Burning Heart Camp Meeting, in Bentonville, Ohio. This is the Ohio/Indiana District Camp of the Christian Holiness. The two nights we were able to be in attendance were wonderful services. Rev. Greg Cooper, the camp evangelist, did a dynamic job and Cary and Catrina Thorton were a blessing as song evangelists, as well.

Our time at Burning Heart was limited, however, due to the Holiness Fellowship Camp which began June 29, in Lucasville, OH. Wesleyan Tabernacle Association (WTA) Moderator Rev. Richard Williams and I preached this camp on

rotation with Rev. Carl Rose, who taught daily on the subject of Heart Holiness. Rev. Kenny Burchett and family, Wayne and June Dalton, Sis. Esther Dotson and family, and KMBC also added much to the meetings through the ministry of song. We'll give more on this Great Camp Meeting in next month's report.

Sprinkled among these meetings were 10 home services at James Chapel, our monthly visitations to the Grayson Nursing Home and Morehead Lifecare, and a joint baptismal service with Upper Trough Camp Christian Holiness Church.

God is moving faithfully among us, aiding our hearts, and championing His cause. Pray that we will continue to walk soft and listen intently to His voice.

When Jesus broke my fetters in twain.

*Glorious freedom!
Wonderful freedom!
No more in chains of sin I repine!*

*Jesus, the glorious Emancipator!
Now and forever He shall be mine.*

*Freedom from all the carnal affections;
Freedom from envy,*

*Hatred and strife.
Freedom from vain and worldly ambitions;
Freedom from all that saddened my life.*

*Glorious freedom!
Wonderful freedom!
No more in chains of sin I repine!*

*Jesus, the glorious Emancipator!
Now and forever He shall be mine.*

Points

like Israel, the majority have answered, "We will not walk therein" (Jeremiah 6:16b).

Dear friend, the paths that are being chosen are leading this nation toward an undesirable end. I ask you, "Why would sensible, logical people not look for a better way than these?"

Our current President said in a 2007 speech, "Whatever we once were, we're no longer a Christian nation." I'm not accusing the President, mind you. His statement is true! We may remain a Christian nation numerically, but we have long failed to be a Christian living! The practical writer said, "There is a way that seemeth right unto a man, but the end thereof are the ways of death" (Proverbs 16:25). I am afraid it is to this "way" (our own) that

we have turned, not considering all these "ways" (without Jesus Christ) lead to certain death.

Surely it is time to heed the voice of the prophet! Time to "anoint [our] eyes with eyesalve" that we might see (Revelation 3:18). Time to look again to the paths of old and find "the good way" that our fore-fathers trod. No matter the social climate or the political agenda, America has always been, and must remain now, a "nation under God"!

Our first president, George Washington (the only president to be unanimously elected, and "father of our country") so boldly declared, "It is the duty of all nations to acknowledge the providence of Almighty God, to obey his will, to be grateful for his benefits,

and humbly implore his protection and favor." Our most famous president, Abraham Lincoln, (the president which abolished slavery and held together a divided nation) adds, "It is the duty of nations as well as man to own their dependence upon the overruling power of God, to confess their sins and transgressions in humble mercy and pardon, and to recognize the sublime truth, announced in the Holy Scriptures and proven by all history: that nations only are blessed whose God is the Lord." In more recent years, President Ronald Reagan (the president who defined therein!

America, let's heed the warning: Seek out the old paths, find the good way, and once more walk therein!
